## Norida Turkish Range

Service Foods Ltd is the New Zealand agent for "Norida" branded food products.

Norida is commonly known worldwide for its exceptional quality of Tomato Paste, it is considered to be the best quality Tomato Paste available in New Zealand. Tomato paste is available in common 4.5kg (A12) foodservice packsize and retail 850gm sizes.

Recently, Olive Oils, stuffed vine leaves, Morella Cherries and gherkins have also been added to the Norida brand.

Service Foods purchases its Norida product range as per the seasons available, where stock is bulk brought at the beginning of the season for the full year in order to receive competitive pricing and premium quality of products.

Norida products are available nationwide, in order to secure stock please let our office know early.
