

YELLOW CHEESE

KAPITI BRICK

Bearing a distinctive reddish-brown surface, this washed-rind cheese has a smooth, creamy texture, pungent aroma and sweet, savoury flavour.

KAPITI PORT NICHOLSON

Named after Port Nicholson in Wellington, this washed-rind cheese, sealed in yellow wax, has a soft, creamy texture and distinctive aromatic, yeasty flavour. Best served as part of a savoury cheeseboard or in hot dishes where its unique flavour and aroma can be experienced.

KAPITI RAMARA

A reddish washed-rind cheese speckled with white mould. Ramara has an earthy, yeasty aroma and a slightly sweet, mild and buttery flavour. It's soft and spongy when young and flowing when mature.

KAPITI SWISS

Traditional Swiss-style cheese with a mouth tingling, fruity flavour!

KAPITI EDAM

A low-fat, pressed cheese with a mild, nutty flavour. Edam is great on cheeseboards, sandwiches and salads. It also has excellent melting properties - ideal for many cooked dishes.

KAPITI GOUDA CUMIN

This hard, pressed cheese is made from full cream milk. It has a fruity sweetness and aroma of hazelnuts flavoured with cumin seeds.

KAPITI HAVARTI

This semi hard, open textured cheese is prepared in the Trappist style. It is sprinkled with irregular holes and sealed in yellow wax. Havarti is mildly aromatic, buttery and smooth in flavour with a light aftertaste.

KAPITI SMOKED CHEDDAR

This aged cheddar is permeated with natural flavours of hickory and ash and sealed in yellow wax.

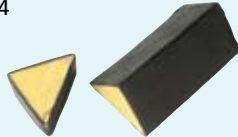

KAPITI AGED CHEDDAR

Covered in black wax, this aged cheddar has a firm, dry and brittle body with a sharp, tangy flavour.

KAPITI RIVERDALE CHEDDAR

This mature cheddar has been aged 3-4 years, giving it a sharp, zesty bite and firm, crumbly body with some lactate crystallisation. Riverdale Cheddar comes in a triangular log shape enrobed in black wax.

KAPITI MATURE CHEDDAR

This golden, mature cheddar is aged for 12 months, giving it an unmistakable robust flavour and firm, crumbly texture.

KAPITI AGED PORTWINE CHEDDAR

Specially selected cheddar, ripened to achieve its full, rich tangy flavour, then steeped in Port for an extra dimension of taste and sweetness. Sealed in red wax, it's ideal on a cheeseboard or deli platter.

KAPITI WHISKY CHEDDAR

Sealed in green wax, this tangy aged cheddar is steeped in whisky, giving it an extra dimension of taste. This cheese is best served chilled.

KAPITI PAMARO

New Zealand's very own parmesan! Mildly aromatic, Pamaro has a dry, gritty texture with a strong, developed savoury finish and a hint of sweetness.

GRANA PADANO

Real Italian parmesan with a brittle, crumbly body and a truly unique pineapple sweet fruitiness on the palate.

KAPITI NATURAL SLICED CHEESE

A selection of natural cheeses (Swiss, Edam and Egmont) presented in special sliced format for convenience and ease of use.
